

Love your job
BUT want more
challenge?

Why not help **Queensland**
communities recover
after a disaster?

Queensland
Government

Queensland communities impacted by disasters need the Community Recovery Ready Reserve to provide human and social recovery assistance, to help communities get back on their feet.

If you're chasing **something extra** in your work, being a part of Queensland's **Community Recovery Ready Reserve** might give you the extra spark you're looking for.

Join the Community Recovery Ready Reserve.

You can choose to be deployed away from home or stay local.

Take on new challenges and learn new skills, or apply your skills and experience in a completely different role.

There are many roles, such as providing information to people, connecting them with support services, or taking grant applications.

We provide you with the training you need.

Being able to help people when they need it most and making a difference, no matter how big or small, is rewarding.
